Complimentary playground recognition for Kiwanis clubs

Better playgrounds. Better world.®

Recognize your Kiwanis club on the playground

Landscape Structures has joined Kiwanis International as a vision partner in order to bring play and playgrounds to communities across the globe. Landscape Structures is proud to provide high-quality commercial playground equipment and services that reflect the high degree of integrity that Kiwanis demands. Through our partnership, with the purchase of a playstructure, Kiwanis clubs may receive a complimentary welcome sign or bench to bring recognition to their club on the playground they helped create.
