General Recreation, Inc. Honored as 2023 Rep Organization of the Year

Celebrated for embodying company mission and values with exceptional dedication

Delano, Minn. (Dec. 13, 2023) – Landscape Structures Inc., the leading designer and manufacturer of commercial playground equipment, is thrilled to announce General Recreation, Inc. of Newtown Square, Pa., as the 2023 Rep Organization of the Year. This distinction is a testament to their unwavering commitment to Landscape Structures’ core values and mission, which positively impacts communities in Pennsylvania, New Jersey and Delaware.

“General Recreation has been awarded the 2023 Representative Organization of the Year for their unparalleled commitment to our core values and their extraordinary impact on communities across Pennsylvania, New Jersey and Delaware,” explained Pat Faust, president of Landscape Structures. “Their approach to business is deeply rooted in fostering long-lasting relationships and championing innovation in our industry. The General Recreation team’s passion for enhancing children's lives and their expert knowledge in our field set them apart as leaders and visionaries. We are proud to recognize General Recreation for not just meeting but exceeding the standards of excellence we cherish at our company.”

The established relationships within the team and with their customers are a cornerstone of General Recreation’s success. Known for their loyalty and active participation in state parks and recreation organizations, local ASLA chapters and school organizations, they truly are a team that extends its warmth and commitment to every client and community they serve.

Innovation is a key driver for General Recreation. The team, an incredibly tight-knit and supportive group, skillfully brings new products, designs and other innovations to their customers with

extensive knowledge and excitement. They will ensure that the latest and greatest offerings are available to their customers.

“We are honored to be recognized as the 2023 Representative Organization of the Year,” expressed Andy Cush, president of General Recreation, Inc. “This award highlights our team's hard work, dedication and passion. We are most grateful to our customers, whose trust and collaboration have been vital to our success.”

General Recreation is one of more than 50 independent sales organizations representing Landscape Structures worldwide. They have been a distributor of Landscape Structures playground equipment for nearly 40 years and are now bringing SkyWays® shade structures and Aquatix® aqua playgrounds to communities in Pennsylvania, New Jersey and Delaware.

About General Recreation

Since 1973, General Recreation Inc. has been a leading distributor of commercial playground equipment. Proudly serving Pennsylvania, New Jersey and Delaware, we have helped hundreds of community leaders and organizations build playgrounds that are safe, aesthetically pleasing and made to last. We offer a large assortment of commercial park and playground equipment, supported by expert and trusted services from site evaluation, playground design, installation and community build services. Whether your playground will consist of outdoor playground at a pre-school or a large community playground, our experienced commercial playground experts will help you every step of the way.
